

Custom Colors & Logos

Custom Colors

ECOsurfaces offers more than 35 standard EPDM colors (see page 2)! These colors are created through Ecore's ColorMill®. ECOsurfaces is unique, because it is one of a few flooring manufacturers to develop its own EPDM products at its facility in Lancaster, PA. The exclusive ColorMill® process ensures your design will feature the most vivid colors and exhibit a smooth, even finish. There are no limits to the imagination! Create a new shade with various formulations from the color palette.

Custom Logos

Whether you want to boost your school's spirit with an inlaid mascot logo or add sophisticated design to your facility with freeform shapes, ECOsurfaces can make it happen with our custom logos program! Your design ambitions don't have to come second to production capabilities — our custom color options and superior pattern abilities can make achieving your design a reality.
