# Ramp & Transition Accessories

## Reducer

These transition strips are for non-ADA required applications.

**Size Options:**

- 2.5" x 8" x 48"
- 1" x 4" x 48"

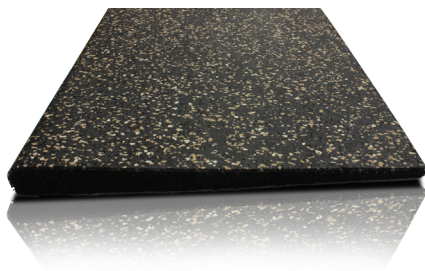

## Straight Edge Transition

Straight transitions are designed for use with turf and engineered rubber. For interlocking turf tile, straight transitions are available for a more finished look, after trimming tabs from tile edge.

**Size Option:**

- 48" x 4" x 3/4"

## ADA Ramps

ADA Ramps are available to make the transition between spaces easier and ADA compliant.

**Size Options:**

- 2.5" x 64" x 30" (Includes 2 ADA Access Ramps, a 6" Transition Toe, and Left/Right Side Reducer Pair)
- 1" x 48" x 12"
